Hi Libby,

My name is Drew Kensinger and I'm Operations Manager of Mild to Wild Rafting and Jeep Trail Tours. I know you are a very busy person, but I was hoping you could answer a few questions. First, Is there a contact person for economic recovery? Second, when do we expect the river to be open? Third, what level of contamination at Silverton would be historically normal and do we expect those levels again?

Thank you,

Drew Kensinger
